Your resume has been brought to the attention of General Walters as you requested. In addition, your extensive background has been reviewed by other senior officials who might have a suitable opening.

Unfortunately, we have not been able to identify a position which is commensurate with your talents and interests. This is no reflection on your qualifications but rather that our needs are few and are limited generally to entrance level career trainees.

We appreciate your offer to be of service to our Agency and you may be sure we will get in touch with you if a suitable position should develop in the near future.

Sincerely,

/s/ H. B. Fisher
